SEE SINGAPORE'S STORY COME ALIVE
ON AN IMMERSIVE

SINGAPORE FLYER JOURNEY

SEE SINGAPORE'S STORY COME ALIVE

Let Singapore's story unfold before your eyes. Begin your journey with centuries of rich history through the corridors of Time Capsule. Your adventure continues aboard the Singapore Flyer, where panoramic views from 165 metres above reveal the city's inspiring transformation. Unlock extra fun on board with the FLYER360 mobile app powered by augmented reality (AR), where you can discover iconic landmarks, snap AR photos, and play mini games.

This is the story of Singapore – retold, reimagined, and brought to life like never before.

Time Capsule, An Immersive Journey by Singapore Flyer

Join R65, your friendly time-travelling robot guide, on an immersive journey through Singapore's story at Time Capsule. Spanning two levels, Time Capsule is the perfect start to your Singapore Flyer journey, blending interactive exhibits and cinematic storytelling with a personalised web app to bring to life the nation's rich history, culture, and transformation.

Every moment is designed to inspire emotion, spark discovery, and encourage reflection – uniting generations under a shared vision for Singapore's future.
