

R65

R65 will be your dedicated guide today!

A tribute to Singapore, R65 stands for 'Robot' and '1965' – the year Singapore gained independence. Resembling a little red dot – just like Singapore on the world map – R65 embodies the free-spirit, intellect and charisma of a maverick, embracing challenges in times of change for a future with infinite possibilities.

Journey Like Never Before

JOURNEY THROUGH THE SINGAPORE STORY

Welcome to Time Capsule, a multisensory attraction of Singapore's rich history, heritage, culture and landscape. Be enthralled by our past, encounter our present and envision our future. Meet myths, legends and giants through a whole new lens. It's the Singapore story like you've never seen.

Island of Myths

Travel 700 years back to the nation's founding years shrouded in myths and folklore. Be enthralled by the legend which inspired Singapore's name, Singapura (the "Lion City" in Malay), as well as stories of Malay folklore.

Infinity Space

Ignite your imagination beyond your wildest dreams with a breathtaking extravaganza showcasing the possibilities Singapore has to offer.

River of Time

If rivers could talk, the Singapore River would have a rich treasure trove of tales. Marvel at the transformation of Singapore – from a new era of a free trade port to the first land reclamation along the Singapore River and beyond.

Teleportal

Wade through the skies as you admire Singapore from high up above. Enter the doorways of Singapore and discover heritage, culture and landscape.

Kaleidoscope Walk

Come admire the harmony of Singapore's melting pot of cultures and races.

LEVEL 1

R65 Memories

Through R65's memory orbs, catch a glimpse of the arrival of migrants and pioneers, who against the odds, made this place their home.

LEVEL 2

Matrix of Possibilities

Blaze through Singapore's influences and aspirations that guided its meteoric rise as a developed nation. Wonder at the future and possibilities the nation holds.
